#### Deckers Brands Confirms Receipt of Director Nominations from Marcato Capital Management

GOLETA, Calif. – (BUSINESS WIRE) – September 13, 2017 – Deckers Brands (NYSE: DECK), a global leader in designing, marketing and distributing innovative footwear, apparel and accessories, today confirmed that affiliates of Marcato Capital Management have nominated 10 director candidates to stand for election to the Board of Directors at Deckers' 2017 Annual Meeting of Stockholders, which is currently scheduled to be held on December 14, 2017.

The Board of Directors will carefully review and consider Marcato's candidates as it would any other potential directors to assess their ability to add value on the Board for the benefit of all stockholders.

Deckers issued the following statement:

Deckers welcomes open communications with its stockholders and values constructive input toward the shared goal of enhancing stockholder value. Although we engage regularly with our stockholders, it is Deckers' policy not to comment on discussions with individual stockholders. However, it is important to note that members of the Board and senior management team have held a number of discussions with Marcato during the past 8 months and those discussions remain ongoing. Deckers has a strong and independent Board, with 3 new directors who have joined since 2014. The Board believes that it has an appropriate mix of skills, experience and leadership to drive performance and provide effective oversight. At the same time, the Board will give full and fair consideration to the nominees proposed by Marcato.

As previously announced on April 25, 2017, the Board is reviewing a broad range of strategic alternatives to enhance stockholder value. The Board has retained Moelis & Company LLC as its financial advisor and Wilson Sonsini Goodrich & Rosati, Professional Corporation as its legal counsel in connection with the review process. While the Board conducts its review, the entire Deckers team remains committed to improving operations and profitability.

As previously announced, Deckers is executing on a focused strategy to drive improvements in the business through streamlining its cost structure. Deckers continues to aggressively move forward with its \$100 million operating profit improvement plan: in fiscal year 2018, Deckers expects to achieve net savings in excess of \$30 million, and is targeting a similar cadence of savings each year through fiscal year 2020. To achieve this, Deckers is taking a number of actions to improve its gross profit margins, as well as its corporate overhead expense structure.
