On December 7, 2017, Marcato Capital Management LP and certain affiliates issued the following press release:

**LEADING PROXY ADVISORY FIRM ISS RECOMMENDS DECKERS STOCKHOLDERS
VOTE FOR MARCATO NOMINEES KIRSTEN J. FELDMAN, STEVE FULLER,
AND ANNE WATERMAN**

***Changes Recommendation to Vote “FOR” Marcato’s Three Highly Qualified Nominees
on GOLD Proxy Card***

SAN FRANCISCO – December 7, 2017 – Marcato Capital Management LP (“Marcato”), a San Francisco-based investment manager which manages funds that beneficially own approximately 8.5% of the outstanding common shares of Deckers Outdoor Corporation (NYSE: DECK) (“Deckers” or the “Company”), today announced that Institutional Shareholder Services Inc. (“ISS”), the nation’s leading independent proxy advisory firm, has changed its initial recommendation and now recommends that Deckers stockholders vote Marcato’s **GOLD** proxy card **FOR** the election of Marcato’s nominees Kirsten J. Feldman, Steve Fuller, and Anne Waterman in connection with Deckers’ Annual Meeting of Stockholders to be held December 14, 2017.

Mick McGuire, Managing Partner of Marcato said, “ISS’s recommendation validates our belief that change is needed on Deckers’ Board. Our nominees Kirsten J. Feldman, Steve Fuller, and Anne Waterman will bring the necessary fashion, apparel, retail, marketing and finance expertise to Deckers and the oversight skills required to put the Company back on a winning path.”

In making its revised recommendation, ISS noted*:

- “... the board’s apparent lack of urgency in addressing the company’s pronounced, long-term underperformance and the valid governance concerns raised by the dissident are large contributors to the assessment that direct dissident support is now warranted.”
- “The company has underperformed severely on a long-term basis.”
- “Nominees Fuller and Waterman offer additional expertise and fresh perspective on marketing strategy and brand management, including premium branding and growth-oriented experience, which is especially pertinent to the company’s standalone strategy.”
- “Nominee Feldman’s qualifications stand to round out the board’s financial and capital allocation expertise, which is pertinent to the company’s retail right-sizing and any future strategic assessment.”
- “Nominees Fuller and Waterman seem particularly well-positioned to add value, given their relevant perspectives on marketing strategy and brand management and ability to add a fresh point of view.”
- “Nominee Feldman’s experience is very much transactional, but her presence would add a fresh perspective on capital allocation, which may be particularly useful as the company repositions its retail presence.”

- “The company’s Dec. 4 response—that its previously announced search process will identify at least two new directors ‘well in advance of an AGM which is likely over a year away—is a commitment that may not offer shareholders sufficient comfort about the board’s level of urgency in responding, especially considering the length and degree of long-term underperformance that shareholders have witnessed.”
- “Instituting this change sooner than later seems appropriate given the incremental benefit offered by the revised dissident slate, and given the incumbents’ seeming lack of urgency in addressing the company’s governance challenges.”
